

	<p>The effects the symbiote suit Venom wears has on its host is like the effect sin has on our lives. It makes us do things that are harmful to ourselves and others and separates us from God's will for our lives. When we accept Christ into our hearts, we must confess and repent of our sins to seek salvation. We are all born into sin, and need God's help to be saved from it. (Romans 5:12)</p>
	<p>The self sacrifice that Spider-Man displays when protecting others can remind us of the sacrifice that Jesus paid for our sins. The redemptive power in Christ's blood is what Christians have hope in to save us from death. When we accept Christ into our lives, his blood pays for our sins. Christ's blood paid the price for our sin, so we can be forgiven by God. (1 Peter 1:18-19)</p>
	<p>The faith that Stitch has for his family in the hard times they face should help us to understand what faith in our Father should be like. We can trust Him with our well-being and trust His plan for our lives. It is through faith that we can trust that we are saved by Christ's sacrifice. We must have faith that we are saved by grace when we accept Christ into our hearts. (Ephesians 2:8)</p>
	<p>When Galadriel's guards her clean heart from the temptation of the One Ring, she emulates how we should guard our hearts. The clean hearts we receive are a treasure. We can be tempted to sin and taint our heart, but with help from God, we can overcome temptation. We are given a clean heart that we must guard when we accept Christ. (Philippians 4:6-7)</p>
	<p>Link wakes up in a different, darker world that he must go into and be a hero for after accepting the fate of the Hero of Time. When we accept Christ, we too must take up the mantle to grow closer to Him and be heroes to a world that needs Him. We are reborn in the spirit when we choose to make Him Lord of our lives. When we accept Christ, we are born again in the Spirit so we can have a place in Heaven. (John 3:3)</p>
	<p>When Sonic is diligent in the turbulent pursuit of collecting the Chaos Emeralds, he is rewarded with an imperishable body that is impervious to suffering. Our ultimate reward for the lifelong pursuit of Christ is Heaven. We are given imperishable bodies in a world free from suffering for following our sometimes difficult pursuit of following Jesus. If we accept Jesus as our Savior, we will go to Heaven. (Romans 10:8-9)</p>
